Re: Transfer of Notice of Intention, Small Mining Operations from Sprunger's Minerals to Utah Mineral & Fossil, Inc., Cubical 7 (S/023/017) to Solar Wind (S/023/061), Juab County, Utah

Dear Mr. Holfert:

On August 27, 1999, we received the completed Transfer of Notice of Intention, Small Mining Operations form. This document effectively transfers the Cubical 7 small mining project, located in Section 20, T11S, R11W, Juab County, Utah from Sprunger's Minerals to Utah Mineral & Fossil, Inc. The transfer only affects a portion of the project area known as Cubical 7 under permit number S/023/017. Cubical 2 and Serendipity still remain under Sprunger's Minerals file number S/023/017. **The new file number for this permit (known as the Solar Wind project) is S/023/061.** Please refer to the new file number in any future correspondence regarding this project.

The Division Director signed and executed the transfer document on September 2, 1999, *which effectively transfers the responsibility for continued mining operations and the reclamation of all existing mining disturbances associated with the Cubical 7 to you.* A copy of the transfer form is enclosed for your files. You are now recognized as the responsible party for all mining and reclamation obligations for the Cubical 7 project, now known as Solar Wind.

By copy of this letter, the Division hereby officially releases Michael and Sandra Sprunger from any further reclamation responsibilities at the Cubical 7. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
